

PERFECT DAY

Patrick Zhang

INVESTOR, HORIZONS VENTURES

Patrick Zhang leads and manages biotechnology and healthcare-related investments at Horizons Ventures. He trained as a chemical engineer and worked across various industries including energy, financial institutions, and investment management.

Prior to joining Horizons, Patrick was an investment banker with Morgan Stanley providing financial advisory services on capital raising and cross-border M&A to his clients.

Patrick received his Bachelor of Science in Chemical Engineering from UCLA and MBA from Columbia Business School.
