

Ravi Jhala

Global Head of Commercial

Ravi Jhala serves as the Global Head of Commercial for Perfect Day, the global precision fermentation leader on a mission to create a kinder, greener tomorrow through the harmony of nature and science. In his role, he is responsible for leading Perfect Day's enterprise biology business unit, which offers the company's unparalleled precision fermentation services and expertise to empower others to create their own kinder, greener impact.

Ravi has nearly two decades of experience managing product development, R&D, and commercialization functions. Ravi joined Perfect Day as the Head of Food Development, before being promoted to lead the Commercial team and then subsequently into his current role leading *nth Bio*. He joined from Schreiber Dynamix Dairies, where he served as the Head of R&D and Product Development, responsible for new product development and innovations. Prior to that, he held R&D roles at Chobani, Wells' Enterprises and Sargento Foods, and was a key driver of the most significant discoveries and products at these food leaders.

Ravi earned his MS in Food and Biomaterials Processing from South Dakota State University and his Bachelor's in Dairy Technology from Anand Agricultural University. Along with the rest of the Perfect Day team, he is passionate about using precision fermentation to make systemic change with partners around the world, for a more equitable and sustainable future.
